

Ray Stanley (Ottawa Member OTT-103), Waterford, New York USA, 22 August 2001

Ray Stanley (Ottawa Member OTT-103) passed away from a serious lung condition and cancer of the kidney on 22 August 2001. We were married for a wonderful 54 years and had a lovely life together. We had even traveled to your glorious city of Ottawa some time ago for a second honeymoon. Ray spoke often of your Naval Divers group in a favorable way and he truly loved Canada. Many of his happy times he took Boy Scouts on trips to Nova Scotia, Quebec and Ottawa, with stops at all the wonderful places in between. He was a loving and a lovely man. I wish to thank you for your card. Sincerely Elaine Stanley, Waterford, New York USA
